Room Blocks

Room blocks start at 10 rooms. We will decide together how many rooms you think you will need for your Wedding Guests. From there I will send you a contract locking in the agreed rate. Once the contract is signed, a personalized code will be given to you to forward to your guests to make their Suite Reservations. The number to call is 1800-245-8011. Also, if you send me a photograph of you and your fiancé with a message to your Wedding Guests, I can create personalized link for your guests to click to make their reservations online. That tool will allow you access to view how many of your guests have made their reservations. This is a great tool if you decide to have gifts delivered to their rooms. Whatever rooms are left over before three weeks before your arrival will be put back into my general inventory, with no charge to you, the Wedding Couple. Contact dcotton@sunstonehotels.com with your details, including your mailing address to request your contract. Please indicate your fiancé's name in your email.

Other Events

An *Attendants party* is a good way to say 'thanks' to your closest friends and relatives for working so hard to make your day memorable. You may also want to use this time to give your attendants their personal gifts.

A *Cocktail party* is another great option for bringing guests together before the wedding. It also serves as an attractive alternative for those friends and family who were not invited to the rehearsal dinner.

Farewell Brunch

The day after all the festivities is a fantastic time to hold one final get-together, especially if you and your newly wedded aren't leaving for your honeymoon right away. This can be an all-comers affair, or just a special time for you and your spouse to decompress.
